EresumeX opens its doors for business.

As part of a corporate sponsored initiative to get 1 million people back to work EresumeX was created.

Tagged as “The Resume Portal With EX-Factor” this ambitious project aims to remove all barriers for job seekers to find

employment and gives recruiting professionals the resources to help job seekers find those positions.

Resume management systems such as the EresumeX solution usually have a price tag. The price tag for powerful resume management tools are justifiable as they give recruiters and job seekers the best chance for successful placement.

THE ERESUMEX SOLUTION IS AVAILABLE FOR NO COST TO REGISTERED USERS.

PRESS RELEASE

FOR IMMEDIATE RELEASE: JULY 16th 2012.

Corporate America Supports EresumeX Inc. EresumeX Announces An Ambitious Goal To Get 1 Million People Back To Work.

EresumeX.com announced today they would be launching their no cost to use resume management solution allowing job seekers and recruiting collaborators an opportunity to maximize their job placement efforts.

The brain child behind the service, Ravi Bhavé said, “This powerful database management solution has been created to streamline the processes associated with sourcing, referencing and placing the right candidate with the right job. My goal was to remove the obstacles that exist in an already challenged job market. If we cannot remove all of the obstacles, we at least wanted to create a no cost to the user solution that would make job placement efforts more streamlined and, for those recruiters that take advantage of the collaborative tools embedded in the application, more efficient and profitable.”

The EresumeX.com resume portal is tagged “The Resume Portal with EX Factor,” meaning EresumeX.com is more than just an online job board. EresumeX.com provides a portal of professional resources and employment tools that recruiters and businesses across the country can use at no cost to them. As well, users who upload and pool their resume assets into the EresumeX.com database receive numerous benefits and job placement tools.

Company spokesperson Sean Abley states, “We know that the economies of the world are hurting and that the rates of unemployment are painfully high, but with access to the EresumeX.com resume database, the obstacles to permanent and satisfying employment are reduced. As more recruiting professionals embrace this tool, users of the database will benefit and the mission of our company will be accomplished.”
