# eresumeX Recruiters

The EresumeX Resume Management tool allows recruiting officers and potential candidates a way to be connected to open job positions in a new collaborative effort to find the right recruiter the right candidate and the right job.

As a recruiter you have the ability to change a persons life. You can give an individual hope in a hopeless situation. You can be an incredible power of good for a family. However so often resume information will get lost in amongst 100s of other resumes in your system.

Professional recruiters around the country are taking advantage of the 1000s of resumes in the powerful Resume Management system of EresumeX. It has no cost to you and you can view up to 1500 resumes per month.
Collaboration takes your success to new heights.

The question we are asked the most is:
Why is there no cost to use the
EresumeX Resume Management system?

The Answer is easy -

Recruiters are using the system to maximize their own assets.
They have uploaded 1000's of Resumes and these Resumes
are available for all recruiters to look at.

When recruiters collaborate everyone benefits.

200 Recruiters
upload 200 resumes

= **40,000**

Resumes to view for
NO COST TO YOU

Every Resume in our
Database is validated
by one of our team.

Humans

not computers !

500 Recruiters
upload 200 resumes

= **100,000**

Resumes to view for
NO COST TO YOU

With this level of collaboration everyone wins. You the recruiter, the employer and the job seeking candidate. Your revenue base is widened and you will have access to Cities and States that previously were outside of your scope because of the limited resources available to you.
